GUIDELINES

*We hope you enjoy your bike ride.
Please observe these guidelines for your safety.*

The bike path is paved. You must stay on the designated bike path at all times, except when biking to and from the path. Please note it is shared with pedestrians. Bikes are not allowed on cart paths and vice versa.

Before beginning your ride, please sign the Bike Waiver Form available at the Activities Center in Trailhead.

All children 15 and under must wear a helmet at all times as this is Oregon Law. Helmets are available in the Activities Center in Trailhead.

Bicyclists must follow the same traffic laws as a car driver. A bicyclist must stop at stop signs and must ride on the right side of the designated bike path. A bicycle must also stop for pedestrians at a crosswalk.

It is not safe to ride a bicycle at night as it is difficult to be seen. If you must ride your bike at night, make sure your bicycle has reflectors and a headlight. Wear light colored clothing and never leave children unattended.

Please be respectful of golfers and keep your voices down when riding by the greens.

Do not leave Pronghorn's gates on your bike. This includes areas just outside of the gates.

Return borrowed bikes to the Activities Center by 8 pm.

Cyclists are requested to respect the guidelines as defined by the Bike Waiver.
